Pray for the Pope App

Pope Francis asks everyone who visits him at the Vatican, including important leaders, to pray for him.

07/05/2018

"Pray for the Pope" is an application that takes this invitation and puts it in motion.

The platform is very simple: it reminds users to pray for Pope Francis. After they have prayed, a person can click on "pray," so that

their prayers are added to those all over the world.

Easy, fast and effective, this app is a reminder of what the pope asks for everyday. Something as simple as praying for him.
