Regional Monthly Intention

In these weeks leading up to the 2nd of October, let us ask our Lady, *Mater boni consilii* (Mother of good counsel), to help us re-discover the supernatural nature of the fraternal chat. Let each one try to do the chat

better: delving deeper, opening up with complete sincerity and going with punctuality. For those who receive chats, let us ask the Holy Spirit, Giver of the gift of counsel, Sanctifier and Consoler, to make us good and caring instruments, helping our brothers or sisters with understanding and optimism to encounter and love Christ in their circumstances, whatever they may be.
