Video: Working for the Others

Video documentary of social and welfare projects around the world encouraged by Blessed Alvaro del Portillo whose feast day is celebrated on May 12 every year.

09/05/2017

"Being brothers and sisters means living fraternally, and being ever alert to the needs of the weakest",
Aparecida Document, no 349.

These words are a fitting introduction to this 26-minute video documentary (sub-titled in English) that collates many expressions of christian and social solidarity with the most vulnerable members of society. The projects were inspired by Blessed Alvaro del Portillo when he was prelate of Opus Dei.
