"Here is the message for us: we do not have to wait until we are perfect and have come a long way following Jesus to bear witness to him, no. Our proclamation begins today, there

where we live. And it does not begin by trying to convince others, not to convince: but by bearing witness every day to the beauty of the Love that has looked upon us and lifted us up. And it is this beauty, communicating this beauty, that will convince people — not communicating ourselves but the Lord himself. We are the ones who proclaim the Lord. We do not proclaim ourselves, we do not proclaim a political party, an ideology. No: we proclaim Jesus. We need to put Jesus in contact with the people, without convincing them but allowing the Lord to do the convincing" (Pope Francis, Audience, 11 January 2023).
