They both got jobs!

In May this year, I got to know of the plight of my cousin upon her and her husband losing their jobs. I proposed to my cousin the Novena for work through St Josemaria to which she faithfully agreed and prayed with me.

Upon completing the Novena, to our surprise, my cousin was called for a job interview in a dream company and picked as the best candidate to start working with them!

At the same time, her husband was asked to report to a workstation that he had been waiting for, which was also in his line of interest. Now they are all back to employment and I'm elated by St Josemaria's favours on them!

(I must also add that the meditations of the Novena were additionally very inspiring spiritually).
